

The House of Friendship, a Nonprofit serving Older Adults since 1890

Jamie's Corner

Jamie Crow, Executive Director

Summer has finally arrived at Elmhurst, bringing with it warm temperatures, and flowers in our gardens. And, we're loving it! The front porch is a favorite gathering place, especially in the early evening after dinner. Residents can be found enjoying the patio garden areas, as well as the deck where a tandem swing beckons.

Drive by and wave hello to our porch sitters any evening. The roof project is nearly completed. We are so grateful to all that contributed. Maintaining this historic site is always a top priority.

A huge thank you to all of our Elmhurst staff and the work that they do with our residents. We are very blessed to have these great individuals with huge hearts. Elmhurst is one big family!

Now, get outside and enjoy the sunshine!

- Jamie

Welcome *Ms. Jessica Bozenske!*

Please welcome Ms. Jessica Bozenske, a Licensed Independent Clinical Social Worker in the state of West Virginia, to Elmhurst, The House of Friendship. She specializes in dealing with individuals who have experienced trauma, grief, anxiety, low self-esteem, and depression. The Community Foundation for the Ohio Valley graciously awarded a grant to Elmhurst, enabling Ms. Bozenske to spread mental health awareness by providing an informative discussion and private sessions. Upon completing the grant guidelines, Jessica has been working with Medicare to provide in-house counseling services to our residents. Mental Health is a basic human right. We are so excited to be offering this service to our residents!
